Subject: RFB 5091 Fire Suppression Inspection / Testing Service

Dear Sir,

We appreciate the opportunity to submit a quote for you on the above mentioned project. After reviewing the terms and conditions, we would like to add the following clarification:

**Section C – Standard Terms and Conditions**

**Article 10.1 Indemnity**

Notwithstanding anything contained herein to the contrary, SimplexGrinnell shall not be liable for any indirect, incidental or consequential damages, or for the negligence of others. In no event shall SimplexGrinnell be liable for any damage for performance under this contract in any amount exceeding the total compensation provided to SimplexGrinnell under this Contract.

**Exhibit B – Insurance Requirements**

The County of San Diego, the members of the Board of Supervisors of the County, and all others as required by contract, shall be added as additional insured for general liability and automobile liability, however that coverage and any obligation to indemnify under this Agreement is strictly limited to damage, liability, and expense resulting from the negligence or willful misconduct of SimplexGrinnell.

Clarification: Contractor procures enough insurance to cover all of Contractor's operations in a given year. In lieu of providing the "Per Project Aggregate" coverage, Contractor will agree to provide up to two (2) times the requested general aggregate limits at the County's request.

Once again, we appreciate the opportunity to work with you on this project.

Sincerely,

James Kishish
